GEMS / LOUNGE

The perfect combination of elegance and sophistication. Our Gems tile range is made of unglazed double-coated porcelain for indoor and outdoor walls and floors. Natural look stone veining and small irregularities in the structure underline the natural feel of this prestigious and extremely stylish tile. Its flexibility is equally impressive. In terms of surface you have a choice between a number of different interesting structures. A wide range of sizes and shapes plus various possibilities of combining the tile with mosaics extend the opportunities for individual uses and designs.

Die perfekte Kombination von Eleganz und Anspruch. Bei der Fliesenserie Gems handelt es sich um ein unglasiertes, doppelbeschichtetes Feinsteinzeug für Wand und Boden im Innen- und Außenbereich. Natürlich wirkende Steinadern und feine Strukturabweichungen betonen die Ursprünglichkeit dieser repräsentativen und sehr stilvollen Fliese. Beeindruckend ist auch die Variabilität. Hinsichtlich der Oberflächen haben Sie die Wahl zwischen verschiedenen interessanten Strukturen. Eine breite Palette an Fliesen-größen und -formen sowie entsprechende Kombinationsmöglichkeiten mit Mosaiken erweitern die individuellen Einsatz- und Gestaltungsmöglichkeiten.
